If you already have a Bakwena e-tag here are some simple steps to register it for the Gauteng e-roads

Bakwena
N1N4 toll

1 Log onto SANRAL's website and click on the e-toll website.

2 Click on register an e-toll account.

3 Complete vehicle details.

4 When you get to the step whereby you need to fill in the account holder information details, under the e-tag information you will need to click on the option *"I already have a Bakwena e-tag and wish to link it to this vehicle".*

e-toll

nitrogen

When you reach this step, please ensure you fill in the e-tag barcode as follows:-

Insert the number 00097003 in front of your e-tag number.

For Example **00097003**0235123923(7)

Prefix   e-tag no   drop the last digit

IF YOU HAVE THE SMALLER TAG THESE ARE THE STEPS TO FOLLOW:

Insert the number as highlighted below 000970031125015325.

6 Please proceed to finish by capturing details and selecting payment method.

7 Congratulations, you have successfully migrated your Bakwena e-tag.
