

BUCKLE UP & enjoy the journey

The school holidays and Easter break are almost upon us and we've got some tips and tricks to make your journey safer and better.

PLAN YOUR JOURNEY

Plan your journey ahead of time to avoid peak periods

Travelling on the N1 northbound and N4 westbound
Peak traffic is expected between 12h00 & 20h00 on the 24th March and the 6th & 7th April 2023.

Travelling on the N1 southbound and N4 eastbound
Peak traffic is expected between 12H00 & 20H00 on the 10th April & 1st May 2023.

ARRIVE ALIVE

With the roads much busier than usual, we urge you to take special care and take the following safety measures:

- Ensure your car is roadworthy.
- Ensure you and your passengers buckle up and stick to the speed limit.
- Maintain a safe following distance of at least 3 seconds.
- Don't drive if you've consumed alcohol.
- Ensure you get enough sleep before a long journey
- Be vigilant if you need to stop. Don't stop in a No Stopping Zone or hijack hotspot area.
- Stop and rest every 2 hours or 200km at a safe resting area.
- Use the info on the blue km board marker when reporting accidents or requesting assistance.

IN AN EMERGENCY CALL 0800 225 9362

KEEP MOVING

- Make sure you have your cash/credit card ready before you reach the plaza.
- For your convenience e-tags are available at the N1 Total Panorama Petroport, N4 Total Magalies Petroport and N4 Kroondal Shell Ultra, Monday to Friday.
- Toll plaza lanes will be optimized during peak periods to accommodate busy conditions.

HOW TO GET HELP

Over the peak period we have additional patrol vehicles along the Bakwena N1N4 route to assist motorists in the event of a crash or breakdown. Call the customer care line on 0800 225 9362 and the necessary resources will be dispatched.

Knowing where you are along the route is critical in helping route patrollers or emergency services find you. There are blue marker boards situated every 200m that pinpoint your location. The board depicts which national road you are on (N1), in what section (21) and the kilometre distance (39,0).
